

## Robotic System Solutions

	<p><b>Robotics and Motion Control</b>  PacDrive 3 Robotics, Linear Motion Systems  Lexium MC12 Multicarrier System  Lexium Cobot and Delta Robots</p> <p>Proud member of the Industry Specialist Distributor Program</p> <p>Authorized Industrial Automation Distributor  Schneider Electric</p>	
	<p><b>High-Performance Industrial Robots 3kg - 1,500 kg</b>  Robotic Welding Systems  Open Programming Language for Ease of Use</p>	
	<p><b>Collaborative Robots, 3 kg to 20 kg Payload</b>  Clean Room, IP66, Stainless Steel  AMR and Star Mobile System</p>	
	<p><b>Industrial Robots - Motoman</b>  Motion Control Servo Systems</p>	
	<p><b>End of Arm Solutions, Screwdriver &amp; Vision</b>  Integrated Robotic Solutions &amp; Custom  Palletizing Lift</p>	
	<p><b>Robotics Vision - Intelligent Sensors for Robotics</b>  Safety Solutions - Human Robot Collaboration  Consulting and Design Risk Assessments</p>	
	<p><b>Conveyor Equipment &amp; Aluminum Framing</b>  Pallet and Flexible Conveyor Systems  Guarding and Linear Motion</p>	
	<p><b>Simulate any Industrial Robot with RoboDK</b>  Generate Robot Programs for any Robot Controller  Directly Download from Your PC</p>
